Supplier Declaration PPWR

Supplier's declaration regarding Regulation (EU) 2025/40 on packaging and packaging waste (PPWR)

We hereby confirm that, based on our current knowledge and on information provided by our suppliers, the packaging used for the delivery of our products complies with the applicable requirements of Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR).

In particular, we confirm that:

- the packaging materials used comply with the applicable restrictions concerning substances in packaging;
- the packaging has been designed, or is being adapted, to meet the applicable recyclability requirements;
- relevant packaging-related information is obtained and maintained from our packaging suppliers;
- required PPWR documentation and declarations of conformity are requested from and maintained for the packaging materials supplied to us;
- appropriate measures have been implemented within our organization to support ongoing compliance with applicable PPWR requirements.

This declaration is based on technical data, specifications, and conformity information provided by our packaging suppliers. The relevant documentation is maintained within our document management system and may be made available upon justified request, subject to contractual and confidentiality obligations.

This declaration relates exclusively to packaging materials used by ehb electronics gmbh for the shipment of its products. It does not constitute a guarantee of specific product characteristics and does not establish any liability beyond applicable legal requirements or contractual agreements.

This statement remains valid until it is withdrawn or updated and is issued on behalf of the following supplier:
